Subject: Freedom of Information Request: EPA website

February 13, 2017
Environmental Protection Agency
National Freedom of Information Officer
U.S. Environmental Protection Agency
1200 Pennsylvania Avenue, NW (2822T)
Washington, DC 20460

To Whom It May Concern:

Under the provisions of the Freedom of Information Act, I request a copy of records describing or identifying which data or records has been removed from the public agency website (www.epa.gov and other domains the agency controls) since January 20, 2017. These records are likely found in the offices that maintain content on the public website.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes. They will be used in the course of reporting for Motherboard, VICE Media's science and tech site (www.motherboard.vice.com).

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request, and I request that this be processed in the "media" fee category. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,

Jason Koebler
